## Announcements

### Prime Timers' Christmas Party:

The Prime Timers will be having a Christmas Party on Saturday, December 12<sup>th</sup> at 5:30 pm in the 300 wing at Pierce. This location allows for the best social distancing. The cost is \$8.00 per person, or \$15.00 per couple. Please bring a gift of about \$5.00 for exchange. See Carla Fields if you have any questions.

### Care Package for Nate Eutsey:

As Nate's sending church, we will be sending a care package to him via Jezekiel Van Der Decker. The contents of the package are already taken care of, but we would like to encourage Nate by including cards/letters of encouragement in the care package. Please give your card or letter to Carl Schwarze or emailed to the church by Sunday, December 13th.

### Missionary Update: Ethnos360 / Papua New Guinea

#### **Nate Eutsey**

Nate just became the official "Government Representative" for all missionaries from any country working for Ethnos360 in Papua New Guinea! He has committed to this position for up to a year. He had to say goodbye to all the people who had become his friends while living at Ethnos360's support center in PNG for several years. Nate just relocated to the capital city of Port Moresby, which is PNG's largest city. All of us can always support Nate by praying for him. Even though he may be 8,500 miles away, we are still his church family!

#### Prayer Requests:

- Nate left behind his friendships in the Highlands, although he does have one coworker that he will share the compound with in Moresby. He is asking for prayer that he would not struggle with loneliness.
- With COVID, Nate's financial support is down almost \$600/month. He needs more monthly supporters. To financially support Nate, go to the following: [ethnos360.org/missionaries/nathan-eutsey](http://ethnos360.org/missionaries/nathan-eutsey).

#### **Drew & Grace Sanford**

November 28, 2020: Drew & Emmy had a virus that has caused fatigue, fevers, and joint pain. The medical team thought it was a mosquito-borne virus. They're doing much better now. They still have a little pain, but are up and on their feet. Please pray for continued recovery.
